Mucosal microbial parasite-microbiota interplay and its role in disease

Prof. Robert Hirt

*Faculty of Medical Sciences
Newcastle University UK*

Our Program

Part 1: Microsporidia-epithelial cell interactions: what role for bacterial secondary metabolites?

Part 2: Trichomonas-Microbiota interactions: a One Health and evolutionary perspective

When and Where?

Martedì 5 maggio 2026 -
Ore 15.30 Aula A -
Complesso Biomedico
Viale San Pietro 43/B
